Briggs To Introduce Resolution

PLACENTIA - Assemblyman John V. Briggs (R-Orange and San Bernardino Counties) is prepared to introduce a joint resolution relative to the establishment of a Chino Hills Open Space/Wilderness Preserve during the 1973 Session of the Legislature.

The announcement came at a joint press conference held with Supervisor William J. Phillips at the Placentia City Hall. Briggs has been working closely with Phillips' office for the development of the Wilderness Park.

Briggs said he will introduce a bill that would either appropriate funds for a specific property on a grant basis, or request federal participation for the development of a "National Urban Park", depending "on which alternative will give us the best chance of receiving federal funding."

"The resolution," Briggs said, "will either require a special bill from Congress for appropriation for the open space/wilderness park in the Department of Interior's budget or it will take the form of a National Urban Park Bill such as the Santa Monica Mountains Park Project."

"There has been much interest expressed by representatives on the federal level," Briggs added, "therefore, I do not foresee any problems in getting the legislation introduced in Congress."

WILDERNESS - Assemblyman John Briggs points out area covered by proposed Chino Hills Wilderness area to, from left, Gene White of Supervisor Phillips' office, Placentia Mayor Pro-Tem Robert Finnell and Yorba Linda Mayor Pro-Tem Carolyn Ewing.

Final Hearing For Element Planned

PLACENTIA - Final hearing and possible adoption of the proposed Capital Improvement Element of the General Plan will be held by the City Council Dec. 19 following a long hearing during which several changes were made in the priority listing for capital projects.

The major change was listing the Atwood and La Jolla Community Buildings as first priority from

the park and recreation in lieu of fee funds, which means that purchase of land for park sites and the purchase of a lot for parking near Tuffree Park will become lower priority in that fund.

The Placentia Redevelopment Association and other Mexican-American and community groups have been pushing for months for a new community center in South Placentia to replace the small

Whitten Building in McFadden Park.

Councilmen told the people present at the meeting that even when the capital improvement element is approved it will still be at least a year before construction could begin because of planning which must be done and drawings which must be completed.

Mayor Pro Tem Robert Finnell pointed out that previous priority lists had shown all projects on one list since it was not known whether the park fee fund and the utility tax funds were legal. Recent court rulings have established that legality and the list has been separated by fund.

Finnell added that planning on the civic center project was continuing and said that any work on it would not delay the community buildings, which will be paid for out of a different fund.

Councilmen will adopt the element when they have final financial figures from Finance Director Frank Dunnivant at their next meeting.

Variance Request Continued By Council

PLACENTIA - Five variance requests to allow subdivision signs which exceed the city size limit to remain in place have been continued for two weeks by the City Council.

Councilmen at their last regular meeting decided to get information on sales in the tracts for which the signs were originally installed before making the final decision on whether to allow the signs to remain.

The signs were put up when the property on which they were located, the corner of Rose Drive and Buena Vista Avenue, was in the county. Permits issued by the county were honored by the city until their expiration on July 29. Following notice that the signs had to be removed the sign company filed for a variance to allow them to remain.

The signs are each 100 square feet whereas the city ordinance

limits sign size to 32 square feet for subdivision directional signs.

Councilman Robert Finnell said that if it could be proven that a hardship exists he might favor letting the signs stay for a short term. He added that if the original tracts for which the signs were built were sold out or nearly sold out he would ask that they be removed. Most of signs are now advertising other tracts than the ones they were first built for.

Change In City Plans Proposed

PLACENTIA - Gil Kraemer and Stan Chapman, representing the two families which own large tracts of land along Alta Vista Street between Rose Drive and Angelina Drive and between Palm Drive and Crowther Avenue, proposed a change in the general plan to the City Council recently.

Under the change, half of the Alta Vista Country Club would be moved from its present position south across Alta Vista Street onto Kraemer property. The part of the Chapman and Kraemer properties surrounding the golf course would be master planned for residential mix zoning and development.

Site Approval Granted For McDonalds

PLACENTIA - Site development approval for the McDonalds Hamburger Store to be located in the new Town Center at Kraemer and Yorba Linda was granted by the City Council at its last regular meeting.

McDonalds had been held out from approval of the rest of the center because of its proposal to use lighted metal beams around the roofline of the building.

Councilmen and McDonalds finally agreed that the company will install wood beams without lights on the roof. McDonalds further agreed that if after 120 days the council did not like the beams they could order them removed.

Contract Awarded For Construction At Golden

PLACENTIA - A contract for \$1,098,468 for construction of the Golden Elementary addition was awarded by the Placentia Unified School District Board of Education to Harwick and Sons, Inc., of Cerritos. Construction is expected to begin within a week, according to Dr. David Tansey, administrative assistant to Supt. John Tynes.

The contract calls for completion within 250 calendar days, with a completion date of Aug. 17, 1973. The new building will be a modified plan of Topaz and is designed to facilitate 668 students.

The only other action taken was to authorize advertising for employment of a construction inspector and to hire firms to make

materials and soil tests for the Golden site.

Mrs. John Hilliard, new president of Placentia Council PTA, addressed the board to publicly thank Supt. Tynes for "directing the schools back to the people" and for "greatly improving the lines of communication between the schools and the people."

Apartments Earn Award

PLACENTIA - The Villa Angelina Apartments have been awarded the Beautification Commission's Beauty Mark Award for excellence in building landscape design and appearance.

Tynes Given Two Year Contract In Placentia

PLACENTIA - Superintendent John O. Tynes was offered a two-year contract extension at a salary of \$27,500 by the Placentia Unified School District Board of Trustees Saturday.

The board, in giving Tynes the new contract, said, "John Tynes has brought this district into a new era of mutual trust, high morale, and a greatly improved educational environment. John is one who knows us, understands us, and implements solutions to our problems always in the best interests of our children."

Board members also outlined three basic goals of the district for the coming year, first, emphasis on the instructional aspect of the educational program; second, all district administrative activity will be service oriented with the

district operating with decentralized management; and third, all major decisions will involve community participation.

Following the announcement Tynes said, "I want to thank the employees and patrons of this district for the support they have given me and the staff this past year. I look forward to continuing our work together to achieve a high educational level for our children."

Board vice president Ralph Ruth voted against the contract extension, saying that open search procedures should be used before filling the superintendent's position.

Tract Map Denied By YL Council

YORBA LINDA - City Council denied a final tract map at its last meeting, after determining that the map had been filed more than 12 months after approval of the tentative map.

City code requires that a final map be filed within 12 months or it expires. Attorney Roland Bigonger, representing the developer, Genovese and Alhandy, said that the state allowed up to 18 months for final maps to be filed but City Attorney Leonard Hampel told councilmen that the 18 months was a maximum and that cities could set lower time limits.

The subdivision, near Buena Vista Avenue, was filed on June 15, 1971. Since then zoning in the area has changed and 15,000 square foot lots are required instead of the previous 10,000 square feet as shown on the map.

YL Approves Formation Of Committee

YORBA LINDA - City Council has approved the formation of a Beautification Committee similar in structure to the present Horse Committee.

Local citizens will be appointed to the committee, the function of which is to discuss means by which the city can be upgraded as far as its appearance is concerned.

YL Trustees Set Meeting

YORBA LINDA - The regular meeting of the Yorba Linda Library District Board of Trustees will be held Monday, Dec. 18 at 8 p.m. in the library board room.

The board would normally have met Dec. 7 but that meeting was adjourned because a quorum was not present.

ED Director To Assume Administrative Position

El Dorado's athletic director Tom Byrnes has been named to the post of administrative assistant to the California Interscholastic Federation (CIF) effective Jan. 1. The new position is one of the highest honors in the field of physical education.

Byrnes has been with the Placentia school district since 1962, working for three years as varsity football coach and JV baseball coach at Valencia and as swim-

ming coach and athletic director at El Dorado.

The 35-year-old coach is active in local and state professional recreation organizations, now serving as vice president of the California Association of Physical Education and Recreation, a member of the board of directors for the California Athletic Directors' Association and president of the Orange County Athletic Directors' Association.

Youngsters To Receive Responses

Santa Claus has asked the Placentia Recreation and Parks Department and the Placentia Junior Round Table to announce that youngsters will receive an answer to all letters written to him. This has been made possible by special arrangements with the Post Office Departments in Placentia and the North Pole.

Here's what to do. Write a letter to Santa Claus and be sure to put your name and address on the letter. If you are too small to write ask your Mommy or Daddy to help. Mail all letters in Placentia, addressed to Santa Claus, c/o North Pole. Within a few days, you will receive your letter from Santa himself.

Policeman Remains On Leave

Lieutenant Raymond F. Muller of the Placentia Police Department has been on sick leave from the department since October. He is reported to be improving in health, but has, as yet, not been released by his doctor to return to duty.

Sergeant Eugene Cason, who had a bout with a stomach illness, has now returned to duty.

Police Chief Norman Traub reports that three of his four children have gone back to school.

Bureau Needs Gifts

New gifts for children ages 5 through 12 are needed by the Christmas Clearing Bureau, stated Mrs. M. S. (Doris) Black who heads the stupendous task of planning and augmenting the procedures of making Christmas a happier one for those persons who otherwise might not have a cheery day.

Mrs. Black stressed the point of "new" articles for the gift giving, and persons wishing to contribute can bring their offerings to the Bureau headquarters at 1850 N. Placentia Ave. in the Sierra Vista Shopping Center. There are 400 children in the 5 to 12 age bracket and a total of 800 in all. Other ages have been cared for, she said. The Bureau is open daily from 9 a.m. to 5 p.m. and closing date for gift offerings is Saturday, Dec. 16.

Former years some have given a monetary contribution to the Bureau to help supplement what otherwise would not be available, such as fresh vegetables, meats, eggs, and bread. To date the money contributions have been slow in coming, and

Mrs. Black asks if anyone would prefer to contribute that way, rather than try to

figure a proper gift. The money would be most acceptable, she added.

VITAMIN VILLAGE

VITAMIN VILLAGE

Let
Aunt Hazel
and
Vitamin Village

SUPPLY YOU WITH THE GREATEST CHRISTMAS FEAST EVER!!!

Again this year we broke all records for the number of **Super Turkeys** we sold for Thanksgiving... and everyone has been coming back into our stores ecstatically extolling the virtues of their **AUNT HAZEL'S SUPER BIRDS!** We received hundreds of testimonials that these naturally raised and organically fed Turkeys were the best that the people had ever eaten—or at least the best that they have had for the past 30 or 40 years since they used to raise their own "down-on-the-farm." It just makes sense that when an animal is fed better, when it is allowed to grow and mature naturally, and when it isn't injected or treated with any chemicals such as tenderizers, hormones to fatten it up, bleaches, antibiotics, or other commercial inventions of marvelous modern man, that that animal will yield more desirable meat. Our Turkeys have better flavor, better texture, better appearance, more firmness, less fat, and a higher proportion of juicy & delicious meat.

Don't kid around with the biggest Holiday of the year. Almost everyone points all year toward the Christmas Holidays. This year, let your Christmas Feast be one that will be remembered for years to come. Build your meal—and all the scrumptious leftovers and snacks that follow for a week—around on...

AUNT HAZEL'S SUPER BIRD THE FINEST TURKEY YOU CAN BUY!!!

Our **SUPER-BIRDS** are Custom-Ordered, and Custom-Dressed just for you in the size you order. So come into a VITAMIN-VILLAGE and place your order **NOW!!!**

A small deposit is required with each order since these are **CUSTOM-ORDERED TURKEYS**—ordered especially for YOU! You can place your order right now, and up through Wednesday, December 20th, in a VITAMIN VILLAGE.

AUNT HAZEL'S SUPER TURKEYS will be delivered to the VITAMIN VILLAGES on FRIDAY, DECEMBER 22nd, and you can pick yours up Friday the 22nd, or Saturday, the 23rd.

ON YOUR GREATEST FEAST OF THE YEAR!

★ NOTE: Due to popular demand, this year we are also going to have available **NATURALLY-RAISED CHRISTMAS HAMS**

These Delicious and Nutritious, extremely meaty, Low Fat Hams are raised just like AUNT HAZEL'S SUPER TURKEYS—organically fed, with normal growth cycles, and no drugs or chemicals at any time.

If you'd like a little variety for Christmas this year, try an AUNT HAZEL'S SUPER **HAM! HAM! HAM! HAM! HAM! HAM!**

You deserve the best for Christmas!

Orders, deposits, and pick-up procedures for HAMS are the same as those for the TURKEYS.

GIVE A GIFT OF HEALTH

This year, what better form of a Holiday Remembrance to give to your friends and Loved Ones than a Gift that Keeps on Giving all year—year after year? And what would you rather see your Friends and Loved Ones have than Good Health? Show them that you really care this year by giving a "Gift of Health" from Vitamin Village that you will be proud to give—a gift that will keep giving even when you aren't there.

We are offering these terrific Holiday Specials on items that will make great gifts this year. Make Vitamin Village your Gift-Shopping Headquarters this year, and all year around, as Vitamin Village features the largest, most well-stocked departments for Appliances & Cookware, Books, Cosmetics, and other Gift-Type items of any Natural Products Store you will find.

GIVE & GET "LIQUID GOLD" FOR CHRISTMAS THE ORIGINAL VITAMIN E OIL FOR COSMETIC USE

About 8 years ago we developed Vitamin E Oil as a preparation for use directly on the skin. We were the first to ever make the fabulous Vitamin E Factors available for "Cosmetic" use without you having to cut open a Vitamin E capsule to get to the oil. Over the years we have further developed Vitamin E Oil as an external preparation in a form that is carried directly and readily into the skin. This makes it extremely versatile for every type of skin, for every need, and for every type of person. This is our own secret formula and our own development that makes VITAMIN VILLAGE Vitamin E Oil so much better than any other form of Vitamin E that you can apply directly to your skin—including cutting open a capsule, squeezing out the oil, and applying that.

You are going to want Vitamin E Oil, and you are definitely going to want the original and still the finest and most versatile Vitamin E Oil available for application directly to the skin. You can only obtain THIS VITAMIN E OIL FROM VITAMIN VILLAGE.

Vitamin E Oil will make a great Christmas Gift for all your Friends and Family this year... and especially for yourself. Get several bottles and keep them everywhere.

HOMEBAKED BREAD

One of the best smelling things in the whole world is a warm and cheery house at the Holiday Season with FRESH BREAD BAKING IN THE OVEN.

This year, with commercial bakeries on strike, will be an especially good time to bake your own bread.

If you start from scratch, it can be very difficult, and often times very expensive, to bake your own bread -- if you use top quality, all Natural Ingredients. However, we have ALL NATURAL, VERY ECONOMICAL, TOP QUALITY BREAD MIXES to make the job easy, economical and fun for you.

This is definitely the right time to do it, so stock-up now.

THREE-POUND SIZE BREAD MIXES
(makes either 2 or 3 luscious loaves) in
WHOLE WHEAT, UNBLEACHED WHITE, RYE, and PUMPERNICKEL.

Amaze and Delight your family and friends.

THREE-LB. PACKAGE (reg. \$1.23) CHRISTMAS SPECIAL ... NOW
WITH THIS COUPON.

FRESH Juices

This time of year when everyone drops in, really blow their mind by offering them a drink of FRESH JUICE. That's right FRESH JUICE. Everyone loves FRESH JUICES, and they'll be tired of the not-very-original, and definitely not-very-healthy booze and soft drinks that most people will be serving at Holiday Get-Togethers... and with FRESH JUICES, you can drink all you want and still be safe and legal when you drive home.

VITAMIN VILLAGE features all the most delicious and most popular brands of FRESH JUICES:

AUNT HAZEL'S FRESH SQUEEZED ORANGE JUICE
(we make it ourselves right in Aunt Hazel's Restaurant); HANSEN'S JUICES
(COCONUT-PINEAPPLE, RASPBERRY, APPLE, GREEN DRINK, TOMATO, ETC.); L & A. JUICES

PTA Sets Boutique

The Glenknoll School PTA will hold its annual children's Christmas Boutique on Dec. 14 and 15 at the school.

Members of the PTA have been busy making many decorative and useful items to be sold at the boutique. There are seven workshops averaging five ladies each making over 1800 items

Church Receives New Organ

Sacred music will fill the vaulted arches of St. Joseph Catholic church, Sunday, Dec. 17, when the new organ is formally dedicated.

The organ is the latest type of organ now being introduced in churches. It re-

quires no pipes and is called Allan Digital Computer organ.

The original organ in St. Joseph Church was purchased second hand and served the choir and church well, but in late years has

needed many repairs. It was decided to install the newer type. The Digital organ was purchased through the Gould Music company of Santa Ana. John Powell, director of institutional sales and Richard Dissell, general manager and tonal director will be the organists for the sacred concert.

Regular organists at the church are Mrs. Dolores Aguirre and Mrs. Arnoldt.

Woman Returns

Mrs. John (Helen) Crowley of 115 Santa Rosa Way, Placentia returned to her home Monday, Dec. 4

from a two month visit to Toledo, Ohio, where she was a guest of her sister. She also went to Columbus.

Bradbury To Speak

"How to Burn a Library-Ten Easy Lessons" is the intriguing subject for the annual meeting of the Friends of Placentia District Library. The meeting will be held in the Backs Building, and only 350 is the seating capacity. Those interested are asked to make reser-

vations through the Library as soon as possible.

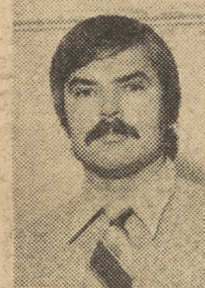

Ray Bradbury, science-fiction writer, will be the speaker. According to the review issued by the Friends of the Library of which Miss Virginia Carpenter is the editor, meeting time is 8 p.m.

Health News . . .

NEEDLESS MIGRAINE SUFFERING IS WITHOUT REASON

In almost all cases, there is a formula for getting out of trouble and staying clear.

It's true with the body's health, just as it is with problems which plague the nation, such as migraine headache.

DR. BURPEE

"For example," says Dr. Andrew N. Burpee of the Burpee Chiropractic Office, "sensible eating habits, enough rest and good living conditions are necessary to health and happiness, but is part of the health formula being left out because of something people do not know."

"There are too many who do not realize that the nerves in the spinal column mean life and death, sickness and health," reported Dr. Burpee. "It is not romantic to think about because illness never is, and yet, good nerve condition is just as necessary as food, water and shelter to the lives of Californians."

Dr. Burpee points out that the relief of headache through the use of deadening drugs is at best a temporary measure - these drugs relieve pain temporarily, "but that's all they'll do." The cause of most headache, including migraine, has been demonstrated as a nerve

pressure problem in countless cases, and the proof is in instances where relief has been brought about permanently.

"In these cases, the unique hallow bones of the spinal column have been found to be out of place, and the nerves within their protective centers have been pinched and the brain began to ache in protest," he said.

Some patients have been given relief immediately through chiropractic care as the bones were put back in place and the pressure relieved, while in others it takes longer before the pinched nerves can regain full normal function.

"But the important thing to remember about Chiropractic," says Dr. Burpee, "is to seek competent chiropractic care for the problem. Needless suffering is without reason. And I can think of no better example than the suffering brought on by migraine."

Remember! Insurance pays for Chiropractic care. Check your insurance policies. Dr. Burpee maintains offices at 245 North Glassell St. in Orange. (Telephone 639-0111).

FIGHTS INFLATION...COAST TO COAST

CHOIR - Preparing for the performance of the Faith Baptist Church Choir on Dec. 17 are, from left, Garnette Black, Darlene Shafer and Barbara Phillips.

YL Baptists Plan Christmas Social

The Faith Baptist, Yorba Linda, annual Christmas social will feature Paul Lundberg, an accomplished musician. The dinner, to be held Dec. 15 at 8 p.m. will be decorated with Christmas angels. The theme is "Entertaining Angels Unaware".

"The Wonder Of Christmas" will be presented Dec. 17 at 7 p.m., by the Faith Baptist Choir. The John W. Peterson cantata will include the adult and young peoples choir in addition to accompaniment by the oboe, flutes, autoharp and the vibraharp. Ken Royer is the narrator with Garnette Black directing the choir.

On the same day, the Children's Sunday School will be acting out "The Little Drummer Boy" at 9:30 a.m. The Junior and Primary Choir, directed by Carol Bergdale will be singing carols with Kevin Collins portraying the drummer boy and Kim Christopolous as the Inn

Retirement Scheduled

Claude Douglas, who has spent 30 years with the Placentia Post Office, will retire on Dec. 31. Douglas for the past week has been away from his desk at the office due to a severe back difficulty. He is expected to return the latter part of this week.

Christmas Party Set For City Employees

Christmas Party participated in by the employees of the city of Placentia will be an event of Dec. 19 at Backs Building starting at 12 noon and continuing until 2 p.m., according to Dan Greeley, head of the Employees Association.

The association will be furnishing the "piece de resistance," turkey and ham, and the distaff employees will bring salads, vegetable dishes, pies, cake and other food for a perfect party. The 12 to 2 hour permits every employee to attend, as a small force will be at city hall to man telephones until the first contingent returns.

The program this year takes on the new look, so prevalent now. Each person attending is to bring a "White elephant" gift done up in a brown paper bag, and

marked as follows: "For him, for her or for it."

Employee of the year will be presented to the assembled guests, and winners of the Pigskin Pickin' contest will receive awards. Santa Claus will be on hand to distribute the white elephant gifts. Jack Anderson of the parks and recreation department will be master of ceremonies. A singing group of three guys and four gals from Cal State, Fullerton, will lead a sing-along.

Police department distaff members are working with Greeley to find out what each person will bring to help fill the festive board.

Placentia Police Win VB Match From EDHS

On Nov. 22 the Placentia Police Department's volleyball team accepted a challenge from the students of El Dorado High School to a volleyball match.

The El Dorado team, "The Rowdy Bunch," comprised completely of students, elected to have the contest during their lunch hour; and it took place inside El Dorado's gymnasium. The match was refereed by Dr. Marvin Stewart, principal of El Dorado.

Approximately 200 students crowded the gymnasium to cheer for their favorite team. Although the

Police Department's team defeated the "Rowdy Bunch" both games, all in attendance enjoyed the games. The "Rowdy Bunch" are seeking a comeback and have requested a re-match in the near future.

The Placentia Police Department's team, comprised of off-duty officers, has participated in games against such teams as Buena Park P.D., Placentia J.C.'s, Brea P.D., El Dorado High School faculty, and the Fullerton "Pines" apartments.

CSF Art Show Set

A myriad of Christmas gift ideas will be presented this month when a group of art students stage their annual holiday art sale and show at California State University, Fullerton.

The Mudmen, a group of pottery students at the Fullerton campus, will sponsor the sale, which will be held in the university's Quad Wednesday through Friday, Dec. 13-15. More than 70 art students are participating in the three-day sale.

For sale will be ceramics (both functional and decorative), candles, prints, lithographs, paintings, weavings, jewelry, photographs, leather goods, shawls and other hand-crafted items, according to Charlie Ferris, president of the Mudmen.

The booths will be manned from 9 a.m. to 8 p.m.

Clay Named Manager At Fullerton

William G. Clay of Yorba Linda has been named Fullerton district manager for Pacific Telephone, it was announced today by division manager Standlee H. Kautz.

Clay replaces Howard C. Ewen, who has moved to the position of district manager for business accounts in northern Orange County, with headquarters in Orange.

The new district manager, with offices at 201 West Amerige in Fullerton, will be responsible for administration of customer relations involving some 150,000 phones for residential subscribers in Fullerton, Brea, Buena Park, Placentia and Yorba Linda.

Water District To Shut Down Feeder Lines

The Municipal Water District of Orange County (MWDOC) announced last week that the Metropolitan Water District's Upper and Lower Feeder lines between Lake Mathews and the Yorba Linda treatment plant will be shut down beginning the second week in February.

The shutdown will be prompted by repairs on the Lake Mathews outlet control facilities, according to MWDOC Assistant Manager Stan Sprague.

Sprague said that during the shutdown period, no imported water will be available for five cities and a number of mountain com-

munities in the eastern and southern portions of Orange County.

"There should be no cause for concern among users because water agencies in those areas have their own well water supplies and distribution systems that should provide adequate water supplies for the average homeowner during the shutdown period," Sprague said.

Areas affected by the shutdown are Yorba Linda, Orange, Mission Viejo, Tustin, portions of Anaheim, and mountain areas along the Cleveland National Forest.

Sprague said agencies that provide water in the affected areas will be contacting homeowners asking them to curtail such water uses as lawn sprinkling and car washing during the shutdown period.

February was chosen for the shutdown because it traditionally is one of the wettest months of the year and a time when water use is at its lowest point, Sprague said.

Alta Vista Has Largest Golf Turnout

The Womens Club of Alta Vista had one of the largest turnouts for the recent President's Cup Match Play Tournament held this month. Of the three ladies who qualified for Low Medalist, Ruth Brown won the play-off.

In the three flights many matches were so close that sudden death play-offs were necessary. Winners were Presidents Cup, June Pressel; Runner-up Louise Tischler; Vice president, Agnes Bellmore; Runner-up, Carol Merrill; and Secretary-Treasurer, Dorothy Homrighausen; Runner-up, Carrie Welch.

On the final day of play the consolation flight winner was Beverly Brennen.

Members Added To VHS Society

Five new members were recently added to the Valencia High School chapter of Quill and Scroll, an honorary literary society.

Presented with membership cards and pins were Inge Hardi, editor of El Tigre; Linda Bies, opinion page editor; Jan Exley, feature page editor; and Jeff Dobyns, sports page editor. Steve Pickerell will edit Keystones, the annual literary magazine published by the group each year.

Save A Life Sunday Set By OC Red Cross

Dec. 17 has been declared "Save a Life Sunday" by the American Red Cross in Orange County. In an effort to avoid a serious blood shortage during the Christmas and New Year Holidays and to ensure that no patient in any of the County's 31 hospitals is denied blood, a nine bed unit, capable of processing over 150 prospective donors will be in operation at the Orange County Blood Center from 10 a.m. to 2:30 p.m.

Located at 601 N. Golden Circle Drive, just off the 2000 block on East 4th Street, the Red Cross Blood Center offers a convenient location where prospective donors may expect to be processed quickly and ef-

ficiently, knowing that the pint of blood they donate will be processed immediately and made available to patients in need on a moments notice.

Dr. John B. Tully, Volunteer Blood Program Chairman, at a recently held board meeting of the Red Cross asked that Orange County residents not forget the most precious gift of all - life - through donating a pint of blood. "After all," said Dr. Tully, "it's probably the only Christmas gift that we can give that won't cost us a penny. Only our time is involved and the gift will certainly be appreciated."

Donors are urged to call the Red Cross at 835-5381 for an appointment and directions to the Blood Center.

The Local Scene

by Florence Robinson

She is blonde, petite, attractive and qualified, it is understood, and now she is Typist-clerk in the Parks and Recreation Department. She is LeVonne Harrington.

Garage and driveway sales are very much in evidence these days. Some of the wares being offered are of the antique variety, some needle work, and some just what might be called white elephants. As one person remarked, "Other person's throwaways are another's treasures."

"Decorate the Halls" was the theme song of the week. Christmas trees, small, tall and taller are finding the way into offices and homes. Each is decorated with gay tinsel, and brightly colored spheres. Lights are strung outdoor home, and the glow of holiday merriment prevades the air.

Cooperation of the Southern California Edison company personnel and the city, placed the multitude of lights on the annual Christmas tree in Kraemer Park, which was officially lighted Sunday afternoon, December 10.

Friends of Paul Makuh welcomed him back to his bakery on N. Bradford Ave. in the Bradford Village recently. Paul had a stay in the hospital. The fragrance of fresh bread, cookies and rolls permeated the Village. Chatter and rolls were enjoyed at the coffee break of many persons who welcomed him.

Someone forgot to inform the time clock at Valencia High School that winter is here, and darkness falls early. Lights in the parking lot do not come on in full force until very late and the lot resembles a dungeon for a few hours. One administrative employee remarked that it is hard to find one's car even as early as 6 p.m. It has been contended in recent years that a new type of light standard should be used in the parking lot with bulbs not within reach of "vandals". How about it, John?

Perkins Wins First In Speech Contest

Ken Perkins, a junior at Valencia High School in Placentia, is a young man who doesn't rattle easily when asked to speak off-the-cuff. He's so good at it that he got first place in extemporaneous speaking in a county-wide competition of varsity speakers Saturday at Fountain Valley High School.

The Valencia High forensics team fielded 20 varsity speakers, under the leadership of Adviser John DeNike, and brought home Perkins' first place trophy, three certificates of superiority and five certificates of excellence.

Winning superior ratings were Dan McLoon, extem-

poraneous speaking; Mike Oldham, oratorical interpretation; and Barry Zoeller, humorous interpretation.

Excellent certificates were earned by Larry Lindenstein, humorous interpretation; Belinda Lizotte, dramatic interpretation; McLoon and Oldham, impromptu speaking; and Nanette Scott, programmed reading.

Four students, McLoon and Perkins in debate, Debbie Stevenson in dramatic interpretation and Deborah Press in original oratory competed in a statewide contest, the Christmas Classic, in San Diego Friday and Saturday.

VHS GAA To Begin Hockey

Valencia High School's Girls' Athletic Association is now under way in their second year of competitive field hockey.

The girls are now practicing either two or three times a week after school, in order to prepare for up-

coming games. They also hope to better their season records from last year.

This year's varsity team is coached by Jean Agee, with Joan Stewart handling the J.V. team.

The varsity team this year consists of: Lee Benard,

from each homeroom. They tied balloons around their ankles and tried to pop each others balloon. Whoever had a balloon left at the end won. Don Bigonger was first. Second was Sherri Vallance and third was Joey Hunt. It was fun, but a muddy contest on wet ground.

This year Y.L.J.H.S. is doing something different for Christmas. We are decorating doors! Each homeroom decorates its door in a Christmas scene. By Thursday the doors must be completed to be judged. The winning homeroom will be awarded prizes for everybody who participated.

Last football season, we didn't do so hot. We aren't

doing very well yet in basketball either. A tournament with teams from Bernardo Yorba, Washington (in La Habra), Brea, Tuffree, Kraemer, Ladera Vista and Yorba Linda was last week.

Both our 7th and 8th grade teams entered. The 7th team is coached by Mr. Rick Allan while Mr. Larry Mauzey handles the 8th graders. Our teams suffer from inexperience and a lack of height, but not from hustle and enthusiasm.

A student recognition award was presented to Shari Miller, a 6th grader from Mr. Knowles room, for her concern for her fellow students. She was praised as a student of life.

Kraemer Can Drive Is Held

Students at Kraemer Intermediate School joined most of the other schools in the Placentia Unified School District to make Christmas a happy holiday for needy families by collecting canned foods and toys for the Christmas Clearing Bureau.

The Bureau, sponsored by the Placentia Round Table, will help approximately 200 families, including more than 800 children, by providing boxes of canned goods and presents and turkeys for Christmas dinner, according to a spokesman for the group.

Kraemer students collected 719 cans of food. Top collectors were students in Diane Flood's home room who brought in 180 cans. Marie Miller's physical education class was runner-up with 153 cans.

Kraemer, Ladera Vista Win Local Tournament

Kraemer Intermediate School in Placentia and Ladera Vista Junior High School from Fullerton emerged winners in the fifth annual Invitational Basketball Tournament hosted by Kraemer last week.

Kraemer got to keep the first place trophy in seventh grade play by defeating Brea Junior High 43-25. Third place in seventh grade competition went to Ladera Vista, who topped Bernardo Yorba Intermediate School 58-11. Consolation prize was won by Washington Junior High of La Habra, who beat Yorba Linda Junior High 36-20.

Library Installs Charge Device

The Fullerton Public Library has installed a photographic charge-out system which is now in service, according to Robert W. Conover, city librarian.

Cathy Campbell, Sue Cole, Joni Conroy, Bev Danforth, Gail Fruedenberg, Cindy Grey, Linda Hartwick, Kay Ilertson, Becky Kittrell, Jan Liston, Janet Pease, Julie Powell, Rachel Smith, Marsha Somerville, Candy Traeger, and Debbie Woelke.

doing very well yet in basketball either. A tournament with teams from Bernardo Yorba, Washington (in La Habra), Brea, Tuffree, Kraemer, Ladera Vista and Yorba Linda was last week. Both our 7th and 8th grade teams entered. The 7th team is coached by Mr. Rick Allan while Mr. Larry Mauzey handles the 8th graders. Our teams suffer from inexperience and a lack of height, but not from hustle and enthusiasm.

A student recognition award was presented to Shari Miller, a 6th grader from Mr. Knowles room, for her concern for her fellow students. She was praised as a student of life.

CANS - Looking over some of the cans collected for the Christmas Clearing Bureau at Kraemer Intermediate School are, front from left, Joey Gomez, Galen Clark; back from left, Maria Hernandez, Georgia Cisneros and Leslie Jones. The first three represent the winning class of Miss Flood and the others are from the second place class, Miss Miller.

In eighth grade play, Ladera Vista defeated Tuffree 39-21 to carry hom the first place trophy. Kraemer took third place with a 3631 win over Washington. Brea got the consolation prize in a close 36-34 win over Bernardo Yorba.

Coaches and referees voted an All-Tournament Seventh Grade Team of Stan Davis and Paul Gilbert, Kraemer; Don Fretwell, Brea; Greg Hoffman, Ladera Vista; Tom Reyes, Washington; and Tom Shiefield, Bernardo Yorba.

Kraemer placed three on the eighth grade All-Tournament Team, which included Don Moreno, Norman Rodriguez and Robert

Zamora, Kraemer; Brian Brea; Rob Linn, Tuffree; Greeg and Mike Kenlon, and Chris Reinsvold, Bernardo Yorba.

Guy Antley Named To Polo Team

Placentia's Guy Antley was named to the second team all tourney at the NCAA water polo championships last week.

Antley, an El Dorado High School graduate where he was an all-American and all-CIF, led the University of California, Irvine to a second place finish behind powerful UCLA.

The Anteaters were 4-1 in the tournament held at the University of New Mexico. Their only loss was to UCLA, 15-10. For second place they upset San Jose St. However, it was Antley's fantastic goalie play that gave UCI a chance at San Jose.

The freshman goalie blocked three out of four penalty shots against fourth place USC.

Troy Gains First Win Over Foothill, 62-49

Troy High School broke into the win column last week with a 62-49 victory over Foothill but dropped two other games to drop

Tigers Host Troy High In Wrestling

Hosting Troy High School tomorrow, the Valencia Tiger wrestling team has already compiled a 2-0 record in pre-league competition.

The Tiger grapplers faced the Mission Viejo Diablos last Thursday, and defeated them 33-18. Valencia started the match with an automatic six point lead, when the 95 lb. opponent failed to make weight. In the 103 lb. category, the Diablos tightened the score with a three point decision.

Valencia advanced their score to 12 points, winning the next three bouts by decision. Ben Loomis, Russell Hanano and Paul Saucedo each defeated their opponents. But Mission Viejo tied up the score 15-15, winning the 133, 138 and 145 lb. weight classes.

The last five matches were dominated by the Tigers. Larry Lopez, a three year varsity wrestler pinned his opponent in the second period, while veteran grappler Reid Goettsche achieved the quick pin of the match in 1:06.

The Diablos final points came in the 165 lb. category, with Hill defeating Rob Goettsche by decision. The Tigers sewed up the match when Steve Brown and Clark Whiting decided over their Diablo counterparts.

Tigers Win One Game In Tourney

Valencia opened its Letterman's Tournament last night against Rowland after losing two out of three games in the Glendale-Hoover Tournament last week.

The Tigers started Wednesday against Glendale, the third ranked team in the CIF and was surprised by a third quarter stall as they were behind only 16-14 at the half.

Glendale came out in the third quarter in a stall that lasted until two minutes were gone in the fourth quarter. No points were scored in the third quarter. In the fourth quarter Glendale outscored the Tigers 10-2 to win 26-16.

Valencia came back Thursday to defeat Notre Dame 65-58. Tom Ricks lead the scoring with 16 while Larry Zamora threw in 12 and Riggs scored 10. Don Hamman also scored 12 points.

Playing for the consolation title Friday night the Tigers were outscored by Crescenta Valley in the second half 34-10 after trailing only 29-24 at the half. The Tigers were again lead by Ricks, who scored 13 points. Crescenta Valley won the game 63-34.

their season record to 1-3.

Against Foothill Friday night Mark Wulfemeyer came alive to score 25 points to lead the Warriors, who lead only 24-22 at halftime. A 23-12 splurge in the fourth quarter sealed the win for Troy. Dennis Buccola and Bob Brown came off the bench to score 12 and 10 points.

Wednesday night the Sea Kings from Corona Del Mar stopped Wulfemeyer with six points to coast to an easy 66-44 win over Troy. Dana Hirsch scored 10 for the Warriors and Gallagher had 11 in the losing effort.

Saturday Troy ran into undefeated Orange High and lost 61-55. Troy held a 30-24 lead at the half but could not hold it.

CSF Travels To Chapman

After losing to San Francisco State, 81-72, CSF's basketball team will travel to Orange to face Chapman College on Saturday.

Shooting an exceptional 63 percent from the floor, San Francisco gave the Titans their fourth loss in five games and ruined Coach Moe Radovich's home debut.

Fullerton Travels To Chaffey Tournament

Fullerton College's basketball team will travel to the 16-team Chaffey Tournament to try to defend their crown of 1971.

Coach Erza Van Horne's squad got back on the winning track last Saturday night by slipping past Rio Hondo 81-79. Sophomore Bob DeWeese led the Hornets with 28 points, a career high in JC ball. Four other starters also landed double figures.

FC wasn't so lucky on Friday as Pasadena, one of the best in the state, bounced the Hornets 104-91. It was the most Fullerton had given up defensively as Bulldog center, Bobby Pounds was

ED Frosh Place In Tourney

El Dorado's freshmen wrestling team traveled to Fountain Valley Saturday for a freshman tournament and placed in four weights.

In 95 pounds, Mike Groff took fourth; in 112 Larry Sanchez was fourth; in 103 Fred Tirrocello was second and in 154 Greg Crevling was second.

Sonora Wins Valencia High Wrestling

Sonora High School won the Valencia Wrestling Tournament Saturday with El Dorado finishing second and Valencia third.

Sonora scored 106 1/2

points, El Dorado took 97 points and Valencia had 87. Other teams participating were La Mirada, 71; La Quinta, 40; Santa Ana, 33; Villa Park, 25; and Brea, 8.

Hawks Score Second Win

El Dorado's varsity basketball team collected their second win in the same number of games as they outscored Santiago 54-38 last Friday night.

Starting out rather shakily, El Dorado took a first quarter lead of 19-12. Only the early game jitters marred the performance.

The second period found a more potent Santiago offense. The Hawks were outscored 13-8 in the stanza. El Dorado led at the half 27-

25.

Third quarter action consisted of Santiago missed shots and rebounds by ED center Bruce Osterstrom and Hawk forward Jeff Van Winkle. Both owned the defensive boards all game. El Dorado was guilty of poor passing in which they repeatedly turned the ball over.

With heads cleared, El Dorado trounced the Cavaliers in the fourth period. The ED cagers outscored the Santiago team 20-

play.

Even though CSF outbounded SF 32-23, their defense couldn't stop the hot shooting visitors. 'Their guards beat our press,' said Radovich. 'We let Stanbra get open too often even when we went man-to-man.' Stanbra, a Servite prep star, scored 22 points. Other guard Vance De Vost added 20 while Metcalf put in 19. Orie McLemore led the Titans with 17 points while center Dave Feenstra finally went to the basket for 15 points. Forward Ed Gibbons added 13.

Fullerton met Cal State Los Angeles on Tuesday night in another home game.

Radovich felt his team would need to press better if they expected to beat CS Los Angeles. CSLA will pit sophomore Raymond Lewis, an ex-CIF player of the year from Verbum Dei, against the Titans. Lewis was the top freshman scorer in the country last season and has been high scoring this year on the Varsity.

Named outstanding wrestler of the tournament was Larry Lopez of Valencia, who won the 154 pound weight bracket. Quickest pin was by Sonora's Jay Ebbert

in the 145 pound category in 18 seconds.

Placing for El Dorado were Randy Fishel, first in 95; Mike Fleming, first in 112; Tom Smith, second in 120; Tim Wallstrom, first in 127; Lindsay Thompson, second in 133; Henry Augenstein, second in 138; Bob Miller, fourth in 145; John Robinson, fourth in 165; Clay Vreeland, fourth in 175; and Tim Perkins, second in heavyweight.

Valencia placers were Mike Newlandt, fourth in 103; Ben Loomis, third in 112; Russell Hanano, third in 120; Paul Saucedo, third in 127; Baron Zitney, first in 138; Larry Lopez, first in 154; Reid Goettsche, first in 175; and Steve Brown.

VHS Band Takes Honors At Parade

Valencia High School's marching band walked off with a sweepstakes trophy recently, climaxing a busy schedule of parades and performances.

Bringing home the six foot statue from the South Pasadena Christmas parade, the marching tiger Majorettes also captured a second place trophy. Solo triowler Karen Horn came home with additional honors. Accompanying the band were the banner carriers and flag color guard, under the leadership of Sharon Alspaugh and Vivica Atchley.

Valencia's drill team captured a first place trophy, performing to 'March of the Olympians.' Both groups traveled to Southgate this past weekend to compete in another annual Christmas event. Drum major for the Tiger band is Mike McAdams, with Pam Clark and Sherry Powell heading the tigerettes.

Letters

Coach Thanks Residents For Game Support

To the Editor:

I would like to take this opportunity to thank all the many Yorba Linda and Placentia residents and especially the Yorba Linda and Placentia City councils who came out and supported the Placentia-Yorba Linda Stingrays at their football playoff game, Saturday night at Orange Coast College.

The area gained a great deal of respect and admiration of many of the people from all over the county.

It was heart warming to see such a big and vaciferous following.

Jerry Altavilla
Head Coach
Stingrays

WINNERS - Showing off the sweepstakes trophy won by the Valencia High School marching units at the South Pasadena Christmas Parade recently are, front from left, Cheryl Rothenay, Kim May; back from left, Peggy Provencio, Tim Maldonado, Mike McAdams, and Karen Horn.

Swanson To Assume Boys' Club Position

The Placentia Boys' Club recently appointed Gregg Swenson to the position of associate executive director. The position of which Swenson now holds was created to help ease some of the "Growing Pains" which come with the completion of a new facility and a broader program.

The Boys' Club plans to have Phase I of the facility, currently under construction, completed this winter. A larger facility will create problems which do not exist in our present limited operation. Gregg will concentrate on developing a staff to help the Boys' Club increase its services, and the administration of the Boys' Club facility.

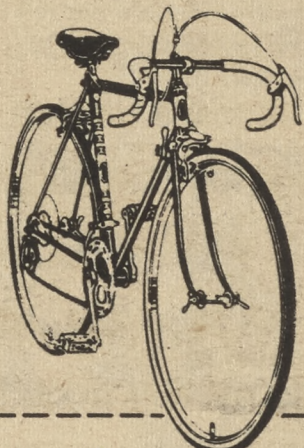

Swenson came to the Boys' Club as a recent graduate of Chapman College, where he received a BA in physical education. Gregg has had a varied background in municipal recreation, most recently in

Newport Beach, and before that in Laguna Beach.

One of the many goals of the associate executive will be to develop more meaningful roles for the youth of our community by providing worthwhile activities which are guided by an adult leader.

PUBLIC NOTICE

to the people of
•PLACENTIA •YORBA LINDA
and EAST FULLERTON

Our one and a half year old jewelry store at 3354 Yorba Linda Blvd - in the Crossroads Center - is not doing the business it should be doing - in spite of the fact that it is the best stocked and best equipped jewelry store in this sixty two block area. This includes a complete stock of Omega, Keepsake, Seiko and ten other lines.

During the next three weeks, if our sales are not up to par, then we will have to move out of the area.

We have lived here in Palm Village North for four years, member of the Placentia Chamber of Commerce and Placentia Rotary Club.

Please come and buy your Christmas Gifts from us - for we do not wish to move away.

Thank you,

Bryan Sledge

CROSSROADS SHOPPING CENTER, YORBA LINDA BLVD. AT BRADFORD, FULLERTON

Department Changes Announced

Administrative changes involving Placentia's Departments of Planning, Public Works, and Recreation and Parks were announced today by City Administrator Edwin T. Powell. The change reduces the number of city department heads, streamlines the administration of the city,

and will save money. The Department of Community Development, under Director Tom Nelson, includes the functions of planning, building and safety, and engineering. This arrangement, which was implemented during the month of November on a trial basis, was found to expedite the

processing of plans for developers. Dwight Winther serves as junior planner, Oliver Grant as Chief building official, and Geroge Tindall as acting city engineer.

The Department of Recreation and Maintenance Services, under Director Dick Samp, consists of three divisions. The recreation division includes recreational activities and public building maintenance. The parks division will continue to maintain parks and plants. A third division, headed by the street superintendent, will be responsible for everything that does not grow. This

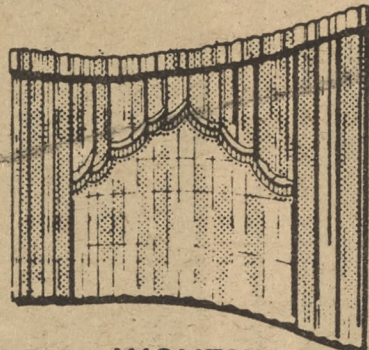

arrangement has the advantage of placing all maintenance activities under the responsibility of a single department.

This reorganization results in the elimination of the department of public works. The position of director of public works was recently vacated by Gerald Hendricks who became the director of public works in the city of Pullman, Washington.

WELCOME EL TIGRE ALUMNI - Steve Pickrell, left, and Tom Holliday, Valencia High School journalists, help advisor Emilie Disen update the mailing list for the annual El Tigre reunion. Alumni and present staff members are invited to 232 Breting Way, Placentia, Dec. 30 between 8 p.m. and midnight.

Valencia El Tigre Staff Plans Party

Tradition and journalism go hand in hand at Valencia High School as members of the El Tigre staff plan the tenth annual Christmas reunion to be held Dec. 30 at the home of advisor Mrs. Emilie Disen from 8 p.m. until midnight.

Approximately 100 invitations will go in the mail to alumni and students presently involved in newspaper production at VHS.

"It is difficult to keep the mailing list up to date," said Mrs. Disen, "and I am especially anxious that anyone formerly on the El Tigre staff who may not receive an invitation in the mail will consider himself cordially invited."

Helping Mrs. Disen with hosting the party are Quill and Scroll members Inge Hardi, Linda Bies, Jan Exley, Jeff Dobyns and Steve Pickrell.

CSF Religion Classes For Spring Announced

Dr. Edward Thompson, director of the Institute of Religion at Fullerton State University, announces the Spring Semester schedule of classes. The Institute of Religion not only serves Latter-day Saint (Mormon) students attending Fullerton State University but non-member students as well. The Institute is located at 2470 East Nutwood Avenue.

The Institute curriculum includes study on a college level in the fields of scripture, church history, and

leadership (50 courses in all). Through the Latter-day Saint Student Association, students are given frequent opportunity to mingle socially and religiously. Institutes of Religion function in 35 states and in six foreign countries.

Registration and class schedules can be obtained by either stopping by the Institute or by calling 871-5421. The registration fee of \$3.50 also covers parking fees.

Of special interest to most students will be a Tuesday class at 12 noon, "The Gospel of Jesus Christ." Also, next semester's Friday Noon Forum in Contemporary Life will feature many outstanding guest lecturers.

Program Overcomes Language Barrier

"Amable" means "kind" in the Spanish language, but to students, teachers and parents at Orchard and Glenview elementary schools in the Placentia Unified School District, it has another meaning, too.

AMABLE is the acronym for Association Mexican-American for Bilingual Education, and the organization is composed of parents - both Mexican-American and Anglo - dedicated to helping children with language problems and giving non-Mexican-American children an opportunity to learn about their Spanish-speaking neighbors.

"We have as many as 90 students in our two schools who have difficulty communicating, and our parents have been very aware of the educational problems this can cause," according to Earl Pratt, Glenview principal.

But language difficulties aren't the only problem Mexican-American students may face. Approximately 20 per cent of each school's population are Mexican-American - making a total of about 225 students.

"Often cultural differences also can cause problems," noted Orchard

Principal John McClanahan. "When students and teachers don't understand what cultural influences motivate Mexican-American children, problems can arise. AMABLE helps us to understand some of those differences."

Before school started in September, AMABLE organizers called every Spanish-surname family in the Orchard-Glenview attendance area to assess the family's needs and to discuss how each family could work with the school program, Pratt explained.

Instrumental in getting

the program started were Mr. and Mrs. Frank (Gina) Torres, who are chairman of AMABLE, and their cochairmen, Mr. and Mrs. Luis (Maria) Ayala. Mike Hankins in serving as an English teacher in the program.

Students at every grade level are being screened by speech therapists. When they are identified, they are grouped according to their needs for special language instruction.

In addition to teaching English to Spanish-speaking students, AMABLE parents who speak Spanish give in-

struction to English-speaking students and teachers. Along with the language classes, which are conducted once or twice a week at each school, the mothers introduce Mexican cultural heritage.

"We're learning about holidays from both cultures," McClanahan said. "We're already beginning to plan for Cinco de Mayo. It will be the culmination of our year of study."

The third goal of AMABLE is to stimulate interchange of ideas and values between parents and teachers.

Valencia To Hold Game Next Month

Although Valencia High School's powderpuff football game has been postponed until after the Christmas holidays, team captains are already planning strategy for the annual rivalry.

Junior and senior girls will meet on Bradford Field, Thursday, Jan. 11, to determine the victor of the annual girl's football game. Sign-ups for team coaches are completed with Mark Goodwin, Richard Hernandez, Barry Loomis, Bill Kennedy and Pat Walters heading the senior team.

Coaches for the class of '74 are Doug Daw, Dan Bogoshian, Paul Laborde, Bob Mason and Steve Wallace. Cheerleaders consisting of junior and senior boys have also been chosen, and events also include the selection of a powderpuff king and queen.

Practices will begin following the holidays, and the game will mark the end of Valencia's football season.

Seniors To Hold Party For Club

Placentia Senior Citizens Club members have made elaborate plans for a Christmas party to be held Dec. 13 starting at 11:30 a.m. and continuing through 3:30 p.m. The party will be held at the Senior Citizens Club House, corner of Walnut and Bradford Ave.

Turkey and all the trimmings will form the bill of fare, and a musical interlude will be presented by the Yorba Linda Strings Ensemble.

Gift exchange is also on the agenda, and each one attending is asked to bring a gift. The senior citizens invites members to bring their friends and further information may be obtained by calling 528-7907 during the morning hours or the Parks and Recreation 528-1146, extension 38.

Orange County Secretaries Meet For Luncheon At Hotel

Mrs. Betty Bradford, executive secretary, to Placentia City Administrator Edwin Powell, was accompanied by her "boss" Thursday, Dec. 7, when they went to the Grand Hotel in Anaheim for noon luncheon. The occasion was the annual holiday gathering of secretaries and their administrators and the

OFFICERS - New officers of the Placentia Federated Republican Women are, front, Mrs. Andree Vartanian, president; back from left, Mrs. Don Shores, recording secretary; Mrs. Robert Hilliard, first vice president; and Mrs. Helen Keenan, corresponding secretary. Not present was Jo Spurrison, treasurer.

Placentia Tennis Club Ladder Play Now On

The Placentia Tennis Club is off to a smashing start with ladder play underway for several weeks. Membership cards will soon be in the mail.

There are 80 members and six ladders: men's singles and doubles, women's singles and doubles, mixed doubles, and Juniors. The ladder is maintained at Empire Sports on Yorba Linda Blvd. Anyone wishing to join should contact Judy Taylor.

Valencia Sponsoring Food, Clothes Drive

Valencia High School's Social Science Department is sponsoring a drive for canned food, old clothes, and old toys for needy children in this area.

Entitled 'Operation Care', the drive was started by a contemporary affairs class under the direction of Greg Schook, social science teacher and advisor.

The articles donated will

524-0985, or Parks and Recreation.

One of the goals of the club is to foster interest in tennis among our young people so plans for Junior clinics next summer are being made.

A Women's Round-Robin and luncheon is scheduled for Jan. 27 and a club tournament is on tap for Feb. 17, 18, 19. A Mixed Doubles Round-Robin will be held soon after this.

be distributed prior to Christmas vacation to the following locations: Fairview Children's Hospital in Costa Mesa, the American Indian Corp and to a mission school in Tijuana.

Any Person wishing to donate any unwanted materials should feel free to bring them down to the Valencia campus. They will be much appreciated.

Republicans Present Check

The Placentia Federated Republican Women's organization contributed \$40 to the Placentia Boys' Club Building Fund to assist the Boys' Club in completing Phase I of its new facility under construction at 132 East Crowther. In addition to financial support, the women's group has assisted

the club in its arts and crafts program.

A large American Flag has been pledged to the Boys' Club by the Republican Women and will be presented at the dedication ceremony of the facility which was originally to be dedicated this year. However, the opening of the

first phase has been delayed for many months due to the lack of adequate funds and bad weather.

Recent major gifts, however, have encouraged the Boys' Club board to schedule opening of the first 5,000 square feet in late January of 1973. According to club executive John Badger, the project has increased its pace considerably in the last 90 days because of partial payments of pledges from charitable trusts and foundations. Altogether some \$280,000 has been raised or pledged, with over \$100,000 of this in volunteer labor. Currently some \$79,000 additional must be raised by March 1, 1973 in order for the club to collect the major outstanding pledges.

The Boys' Club is ending this year with 287 boy members, two full time staff workers, and a cadre of part-time and volunteer workers including a 24 member board of directors.

First Christmas Is Theme Of Girl Date

'The First Christmas' will be the theme for Valencia High Schools' annual girl date formal Saturday, Dec. 16.

Sponsored by GAA, the dance will be held at the Assistance League of Anaheim between the hours of 8 and 12 p.m.

Entertainment for the evening will be supplied by 'Of The Earth.' Pound photographers will be present for couples wishing to have pictures taken for the price of \$3.50.

Girl date tickets may be purchased for \$5.00 per couple in front of the student store two weeks prior to the formal.

Committees include heads Pam Snow, refreshments; Kay Ilertson and Bev Danforth, decorations and publicity; Marsha Sommerville, hostesses; Kathy Kibby and Patty Brown, tickets and Rachel Smith, pictures.

GAA president, Nancy Peterson said, 'I hope everyone will come and have a great time.'

St. Joseph Council To Hear Choir

On Dec. 13 at the St. Joseph's Women's Council Meeting, the Placentia Presbyterian Church Chancel Choir, under the direction of Ruth White Miller, will entertain with selections from their Christmas albums. Their most recent album "Has Anyone Seen Christmas" will be available at the meeting.

To share the joys of Christmas, this year instead of a gift exchange, the council is asking everyone to bring a wrapped gift, marked for a man or a woman, which will be taken to a nearby convalescent home.

This Christmastime meeting begins at 8 p.m. after Rosary in the Church at 7:45 p.m. Dessert will be served after the entertainment.

Kingsmen Have Openings

The Kingsmen Drum and Bugle Corps, musical Ambassadors of the city of Placentia, has a number of limited openings in the corps.

Director Don Wells states that try-outs for this national and internationally famed drum corps will be held on Wednesday evenings at the Los Alamitos Naval Training Station, Katella and Lexington, in Los Alamitos. Practice sessions begin at 7 p.m.

The Kingsmen are well known in this area as youth on the march. With prestige, and honor, they travel across the United States during summer, competing with corps from the midwest

to the east coast. They perform at a number of events in the state of California, and just recently received a commendation from California's Governor Reagan.

Young people 14 to 21 who would like to enter the drum corps world who play either horn or drums, can come out

for the try-outs next Wednesday evening. Girls, same age, are welcome for the color guard try-outs the same evening.

The Kingsmen have spent the last several months rebuilding and will begin new music for next year, very shortly.

Placentia Hospital Plans Future Chaplain

Placentia-Linda Hospital will have a resident chaplain when plans for the future are finalized, it was learned at a meeting held Tuesday, Dec. 5 at a luncheon in the conference room of the Hospital.

Dr. John Schmidt, chief of staff, presided at the gathering of ministers, guests from Brea, Yorba Linda, Fullerton and Placentia.

Dr. Schmidt explained that it would take possibly a year before a resident

chaplain would be coming to the hospital. He further stated that there is no monetary involvement in having a resident chaplain as the chaplain as a rule has his own support.

The interim will be filled by the local ministers who will be on call for a 24 hour day, each in turn. Any patient desiring a minister of his own faith can always make a request for one.

Persons who are hospitalized for illness are usually known by the pastors of their churches, and those pastors make their regular calls. Accident victim's needs will be served by the clergyman of the day, it was understood.

Crossing Guard Paid For By YL Developer

Students from Richard Nixon School were temporarily inconvenienced this past week by new construction on the south side of Yorba Linda Boulevard between Casa Loma and Eureka Avenue.

However, H.D.R. Development Corporation of Los Angeles, the construction company creating the inconvenience, came to the rescue and donated \$100 to the city to employ a temporary crossing guard at Casa Loma and Yorba Linda Boulevard to assist the students crossing at that

HELPERS - Mrs. Frank Torres, left, and Mrs. Luis Ayala, right, work with students at Orchard Drive School, helping them to better communicate in both English and Spanish. Students are, front from left, Alice Mares, Gloria Sanchez; back from left, Mark Montano, and Miguel Covarrubias. See story on page 20.

Valencia German Club Plans Fund Raisers

Christmas parties and fund raisers are among the activities presently planned by the Valencia High School German Club.

First in store for the campus group is a lollipop sale lasting until Dec. 15. Ten cents will buy a candy sucker. Also featured on Thursday and Friday will be

a visit from Jolly old Saint Nick.

Monday, Dec. 18, marks the club's annual Christmas party, hosted by Rick Henson, vice-president. Also featured in the near future is a car wash to earn extra funds for a field trip.

Presiding over meetings is Bob Tucker, President, with Mary Ann Leon handling correspondence. Monies are seen through by Sandy Henkel.

The club has already been active with homecoming festivities and other functions.

Jim Benson Is Named Editor Of Daily Titan

A senior majoring in both English and communications has been named executive editor of the award-winning Daily Titan student newspaper for the spring semester at California State University, Fullerton.

Jim Benson, 22, was named to the top editorial post by the Student-Faculty Publications Board. He is the son of Mr. and Mrs. H. F.

Mrs. Crozier Discusses Old Times

Younger members of the Placentia Round Table Club listened intently as Mrs. Ruby Crozier of Goodwill Industries showed vintage articles of the 1800 era. Those older members could recall having seen some of the clothing and other articles in their early days. Mrs. Crozier's talk was titled "Christmas in 1890."

Mrs. Art (Bonnie) Korn of Yorba Linda, a member of the local club, added tone and melody as she played familiar carols and hymns on her Marimba. Persons standing by could hear her singing in a soft, appealing voice as she played.

Business of the meeting brought out plans for several events to be held in the near future that would help the finances at the club. Mrs. Ted (Betty) Nathan, president, presided. The club was aglow with Christmas decor.

Hill Of Hope Rummage Sale Set On Santa Fe

The First Annual Rummage Sale sponsored by Saint Joseph's Hill of Hope is to be held Friday, 8 a.m. to 9 p.m., and Saturday, 8 a.m. to 5:30 p.m. at 121 West Santa Fe Street, Placentia. Call 528-6962 for further information.

Benson of Fullerton.

Among those named to the editorial board for the spring by Benson are Managing Editor John Kerr, Orange; Associate Editors Elliott Almond, Placentia, and Bea Soots, Garden Grove; Sport Editor Ron Kirkpatrick, Fullerton; and Photography Editors Victor Baca, Carbon Canyon, and Don Marshall, Riverside.

YL Scouts Honor Service Chairman

Yorba Linda Girl Scout Service Unit honored Mrs. Morton Marley, service unit chairman, at its annual Christmas luncheon held Dec. 4 at the Yorba Linda Methodist Church. The Marleys will be moving to

Bakersfield in January.

A special tribute to Mrs. Marley was given by Mrs. Maurice Colwell. Mrs. James Erickson presented a bronze girl scout statue in appreciation for her years of service to scouting.

In addition, a scrapbook compiled of mementos contributed by past and present troop leaders who have worked with Mrs. Marley was presented by Mrs. John Blais.

A closing candlelight ceremony was held as a farewell to Mrs. Marley and as a welcome to the new chairman, Mrs. Merritt Hugins.

HONORED - Renee Blais, left, presents statue of girl scout to Jeanette Marley, who is retiring as Yorba Linda Girl Scout Service Unit Chairman. Mrs. Marley is moving out of the state.

Joseph Sloan Completes Air Force Training

Joseph J. Sloan, son of Mrs. Robert Lightfoot, 118 Livingston, Placentia, has completed basic training at Lackland Air Force Base, Texas.

He is now stationed at Keesler AFB, Mississippi, studying electronics.

Construction Outlined To Area Club

Progress on the Metropolitan Water District's billion-dollar construction program to distribute water from Northern California throughout Southern California was outlined to the Placentia Kiwanis Club on Dec. 5.

Speaker at the meeting was Raymond E. Hudson, MWD public relations representative, who told the group the District has already begun delivering State Project water in northwestern Los Angeles County and Ventura County.

Hudson said that the District has awarded more than \$600 million in construction contracts since the expansion program began more than seven years ago.

Among significant features already completed or under construction are the Second Lower Feeder in Orange and Los Angeles counties and the Yorba Linda pipeline which will extend from La Verne to Yorba Linda.

Placentia is one of the more than 120 cities served by the District.

Artist To Display Paintings

Jean Carroll Byrne of Placentia, who paints professionally under the name Jean Carroll, will be one of about 50 artists whose work will be exhibited in the Crossroads Center Dec. 14 to 17.

The exhibit is part of the professional artists tour and will include metal and wood sculpture, jewelry, crafts and paintings of all kinds. Many of the artists show both in exhibits and galleries.

Mrs. Byrne has been a professional artist for over eight years, painting mostly western historical buildings and scenes. One of her paintings of the San Juan Capistrano Mission is owned by President Nixon.

The Byrnes have lived in Placentia eight years and have had four children in local schools. This show is her first local exhibit.

La Boheme Subject Of VHS Outing

'La Boheme' was the attraction when 50 Valencia High School parents, students, and teachers attended a matinee performance at the Dorothy Chandler Pavilion recently.

Sponsored by the Liberal Arts Club, the field trip was arranged by Michael X. Corrado, Humanities instructor, following an in-depth unit on opera as an art form.

Assisting Corrado on the bus trip to Los Angeles were other members of the Valencia faculty: Bernie Davis, Lois Funk, Tim Higgins, Barbara Smurr and Emilie Disen.

Six New Members To Join

The number grows and November found six more persons joining the Senior Citizens Club of Placentia. They were Roselle McConnell, Stanley Datin, Olive McNalley, Ann Johnson, Dorothy Grayhill, Mary Cowder and Mary Estrade.

All meetings for December will be held in the club house according to the club bulletin. The club will not be open the week between Christmas and New Year. The last event of the club year is scheduled for Dec. 20 when members will take a last minute shopping tour and visit the Orange Mall.

Round Table Members Share

December finds members of the various sections of the Placentia Round Table Club sharing gifts. As each section meets, members are bringing a gift that will be given to the Christmas Clearing Bureau.

Dec. 7 at the home of Mrs. Maynard (Ione) Beard, a Christmas party was held following the tournament at the Imperial Golf Club, with tournament awards being given. But the real item of business was the bringing by members a gift for teenage boys. These gifts go to the Clearing Bureau.

WINNER - Valencia High Drill Team captain Pam Clarke shows off trophy which the team won for taking first place in the South Pasadena Christmas Parade recently.

Cast-Offs Plan Dance At Backs Building

The Cast-Off's Square Dance Club, sponsored by the Placentia Park and Recreation Department, is having a Christmas Benefit Dance on Dec. 15 at the Backs Community Center in Kraemer Park.

The dance will start at 7:30, with Lee Schmidt calling the tips. Guest callers are welcome. Rounds will be called by Bill and Louise Meiklejohn.

The Cast-Off's would like to show their appreciation for all the city of Placentia

Meeting Planned

Dec. 20 has been chosen as the date for the Christmas party meeting of the Home and Garden Section of the Placentia Round Table Club of which Mrs. Henry (Jane) Rissi is chairman.

The spacious home of Mrs. Anders (Eugenia) Jessen is the locale for the affair, which will feature Christmas music of carols and hymns. Mrs. Jessen, violin, Mrs. Frances Gibbs, piano, Mrs. Sarah Noble, violin and Mrs. Marian Lum, cello, will furnish the musical program.

Members are planning a gift exchange as well as each one bringing a gift for an adult to be given to the Christmas Clearing Bureau for distribution with the Food gifts to persons needing such items.

has done for them by donating all proceeds from this dance to the Christmas Clearing Bureau in Placentia to help brighten the Christmas holidays for some of the less fortunate families in the area.

FC Sets Juvenile Hall Party

The Associated Students of Fullerton College are sponsoring two holiday parties to include all of the children in the Orange County Juvenile Hall, according to Miss-Cindy Owen, student Director of Public Relations.

More than fifty of the Fullerton College students will be involved in the two evening parties, Miss Owen said, and each boy and girl will receive Christmas gifts especially wrapped for the festive occasion.

Scheduled for Tuesday and Thursday evenings, December 19 and 20, the parties will have a full carnival atmosphere with carnival booths, games, activities, a magic show, and performances by several student musical groups. In addition to the presents, the children, who range from 10 to 17 years of age, will be given food and candy.

Explaining the plan for two parties, Miss Owen said, "We can't possibly invite all the boys and girls in one evening because the facilities just aren't big enough. We thought it would

for 7:30 p.m. The Gaveliers will each contribute a gift for an "older" person, either man or woman.

Dec. 11 at the home of Mrs. Ted (Betty) Nathan, the locale for the Gourmet section and featured a cookie exchange. Each member brought six dozen cookies for the Bureau.

Home and Gardens section stuffed stockings on Dec. 11 at the home of Mrs. R. S. Casciari. Christmas candy confections will be in the stockings. Each person served by the Christmas Clearing Bureau will get one of the stockings with the Cheer basket they receive.

El Dorado Wrestlers Win Meet

Coach Chuck Smith's wrestling teams presented a most awesome display to Santiago as both Varsity and JV teams won decisively.

At the Varsity level, El Dorado outscored the Cavaliers 45-18. The Hawks were led by seniors Steve Hyams at 103, Mike Fleming at 112, and Tom Smith at 120 with pins. Also scoring well for El Dorado were Tim Wallstrom at 127, and Henry Augenstein at 145 with pins, while Greg Johnson at 154 and Clay Vreeland at 175 all decided their opponents.

The JV's scored a near perfect 63-0 win over Santiago. Individual scores were not available.

Rev. Delamonte Gives Talk

By Florence Robinson
Reverend Tom Delamonte came to Placentia-Linda Hospital Tuesday, Dec. 5 to present to clergymen the Do Nots when making calls on patients. Rev. Delamonte is chaplain of Chapman General Hospital in Orange. So pertinent were his No

No's, and do not that it really applies to everyone who visits hospitals. We here give some of them, for one's thoughts about bedside manners.

Do not stay too long; Do not barge in; Do not show alarm at what you see; do not sit on the bed.

One of the big do not was: do not recommend another doctor to a sick patient, and do not believe all you hear. Never run down the hospital. No matter what you think don't call a nurse.

While Rev. Delamonte did not use the phraseology, the thought occurs of old wives tales, such as saying, do not play doctor or tell the patient you knew someone who died of the same thing he has and do not promise a cure. Even asked, do not wind up in bed, nor give a drink of water, and be sure to not mention a type of medicine you or a friend has used.

smaller groups and go all-out in trying to personalize our visit.

"The student groups on our campus have been very generous in helping us buy and wrap presents for all of the children, but we are still very short of presents for the boys. We would like to invite anyone who wants to share a little happiness at Christmas time to buy a gift of about \$3 value, wrap it in Christmas paper, tag it for a boy (or a girl) and indicate on the tag the age of the child it should be given to. Anyone who can help us

Valencia Eighth In Decathlon

Academic Honors came to Valencia High School recently, when six students captured eighth place in the Orange County Academic Decathlon.

Competing against approximately fifty other county schools, the team of Diane Bishop, Bill Donovan, Greg Heiertz, Dan McLoon, Linda Pappas, and Elise Scanlin were ranked the eighth highest school team on the basis of conversation and test skills.

The announcement was made at a banquet held last week, in which cross-town school, El Dorado, achieved ninth place ratings. Leadership for the Valencia group came from Mrs. Louise Levy, a VHS teacher.

Yorba Linda Cub Scouts Give Awards

Flying paper gliders filled the air as families of Cub Scout Pack 742 of Yorba Linda met at Glenknoll School for an evening of contests, awards, and the building of "a ladder of thanks."

Paul LeBlanc of Den 5 was the Pack Champion in the glider contest, followed closely by Gary Blanchard in second place and Brad Hanson in third place. Other Den winners were Randy Kahn, Robert LeJuwaan, Randy Loy, and Justin Zitny.

Cubmaster Ron LaFourcade and Assistant Cubmaster Ken Blanchard welcomed Jeff Ludwig to the Pack as a Bobcat and member of Webelos I. Wolf badges were earned by Ran-

dy Loy and Bobby Templeton, and a Bear badge was earned by Randy Kahn. Chris Kunsman and Jeff Ludwig received Webelos colors. Scouts earning Den Chief Braids for their service to the Cub Scout Dens were Kelly Colwell, George Thompson, and Steven Cook.

Gold Arrows were earned by Randy Kahn, Bobby Templeton, Randy Loy, and Silver Arrows by Bobby Templeton and Randy Loy. Denner bars went to Scott Cundiff, Assistant Denner Bars to Jerry Larabell, Brad Hanson, Delos Eyer, and Recruiter Strips to Randy Loy, Ronnie LaFourcade, Patrick LeBlanc, and David Lowery. One year service

stars were received by Bret Barbe, Max Darnell, Gary Day, David Wellis, Shaun Bell, Brad Hanson, Mark Magarian, Jimmy Nixon, Chris Swain; two year service stars by Gary Blanchard, Steve Sawyer, Scott Cundiff, David Lowery; and three year service stars to Bill Bell, Paul Starbeck, and Shauna Bell, Den Mother.

Various Webelos badges were earned by Steve Sawyer, Scott Cundiff, Delos Eyer, Robert Valdez, Robert Hartman, Laurence Cotten, Neil Haines, Jeff Kahn, Ronnie LaFourcade, Patrick LeBlanc, David Lowery, Jeff Ludwig, Jimmy Minter, Steve Molgard, Chris Swain, Tim Tapia, and

Justin Zitny.

Pack 742 was proud to welcome the charter members of the newly formed Troop 742. Those boys graduating from Pack 742 and welcomed by Scoutmaster Bill Martin were Thayer McCall, Kevin Colwell, Billy Martin, Bobby Richards, Paul Townsend, and Bruce Sanders. Mitch Darnell is Senior Patrol Leader.

If your son is between the ages of 8 and 10, and resides in the Glenknoll or Fairmont School area, he is welcome to join Pack 742. There are presently openings in two of the Fairmont dens for 8 and 9 year old boys. If interested, call Cubmaster Ron LaFourcade, 524-7747.

NAILING THINGS DOWN for the convenient new Fullerton Savings and Loan Association branch in the Yorba Linda-Placentia area are (l to r) Sr. Vice President Jerry Christie, Assistant branch manager Mary Bette and branch manager Don Hastings. The distinctive, modern California-style branch will be right across the street from Fullerton's present location. Look for the opening the week of January 2, at 1204 East Yorba Linda Boulevard (in the northeast corner of the Yorba Linda shopping center).

New Fullerton Savings Office Nears Completion

Construction at the new Placentia site for Fullerton Savings and Loan is in its final stages. "Our architectural design firm, OK Earl, has really given the location the feeling of warm hospitality and personal concern that we feel the name Fullerton Savings has long represented," says Branch Manager Don Hastings.

"They've combined the best of the old and the new," he commented.

"The interior will have a traditional early California mood with rough-textured finishes, a hand-crafted look to furnishings, and an interplay of colors from nature: terra cotta red, earth tones and a pale sun tint. A modern approach is seen in the overall planning and the use of clean, functional lines and spaces."

"We really feel that our location will be pleasant and cheering to visit and

work in," he said. "The expansive glass walls give a feeling of being in the out-of-doors, and each view looks out on lush planters and landscaping."

Hastings said the Yorba Linda-Placentia branch will have a community room — available free to the public. "Our reputation," he commented, "has been built on our service beyond the norm in personal contact and free services. Many of these services are offered as a courtesy to local residents whether or not they have an account with us. Among these are free photo copy service and free notary public service."

According to Hastings, Fullerton Savings is the only locally owned and managed savings and loan association in Northern Orange County. It opened its Yorba Linda Placentia branch in 1968. A branch was opened in East Anaheim in November of this year, and its main office, in Fullerton, has been in operation since 1927.

The Highest Interest in the Nation on Insured Savings

You always get daily interest at Fullerton Savings — compounded daily, paid quarterly. Deposits made by the 10th of the month earn from the first, and interest is paid right to the day of withdrawal.

You can open an account with as little as \$5.00 and make deposits as you wish. When you've saved \$500 you can easily move your funds into a term account paying you even higher interest.

We pay the highest interest in the nation. But that's just one good reason to save with us. Come in and find out more.
